

Groundsman, aerodrome maintenance

£20,000 - £30,000

Company:

Denham Aerodrome has been operated by a family run business for the best part of a hundred years. We have an opportunity for someone to join our aerodrome maintenance team and assist with the daily preparation and maintenance of Denham Aerodrome and associated grounds. You will be required to carry out usual grounds duties as well as aerodrome specific tasks. You will need a positive attitude, and to work well independently as well as in a team.

Qualifications and experience:

- Full UK driving licence
- Experience using grounds machinery such as mowers, hedgecutters, wood chippers, tractors, etc desirable but not essential
- Chainsaw qualifications (CS30, CS31) desirable but not essential
- We will give training for aerodrome tasks such as fuel testing, aircraft fuelling, airside operations, as well as other training and qualifications to develop our team members and evolve their roles.

The position will include:

- Full time role
- Occasional weekend work
- 28 days' holiday (including bank holidays)
- PPE and equipment supplied
- Full training and qualifications if needed
- Salary £20,000 - £25,000 with scope to increase this on a long term secure basis (depending on experience and qualifications)

How to apply:

This is a long term position working for a professional, family run company. If you would like to apply for the above vacancy then please send us a covering letter and CV to the below email address and we will be in touch with an interview.
